1. CLIENT DESIGN BOARDS

Email AGD images or links to Pinterest, Houzz or Dropbox highlighting designs, colors, materials, layouts, and styles you like. You can even send us a photo of your favorite scarf or throw pillow if you want to incorporate certain colors or motiffs into your design from objects you love.

2. AGD DESIGN QUESTIONNAIRE

AGD will send a personalized questionnaire that pertains to your project for you to complete and return. Completing the questionnaire is a design journey that will help AGD pinpoint design solutions based on your design style, goals, budget, schedule and priorities.

complete depending on your scope.

3. AGD INSPIRATION REVIEW

4. DESIGN CONCEPT REVIEW

AGD will present an in-person review of everything we propose for your project to make sure we are implementing your ideal vision. You will also receive guides from AGD to help educate you through the design and construction process. Master

selections in your space.

5. PRELIMINARY SHOPPING LIST + DRAWING REVIEW

AGD will create a shopping list documenting all design selections in scope. This includes material, size, color, cost. lead time. vendor and more! Review will include scope selections, and samples if applicable. Included project drawings such as furniture plans, finish plans, interior elevations or other drawings will also be reviewed.

weeks after client has approved the design concept. Timing varies by project size, scope

Commonly Requested Additional Services

Select additional items More options for design selections

Changes to design concept or budget

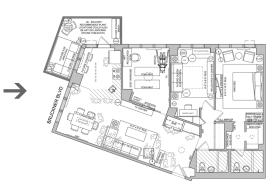

Elevations or furniture plans
